> Twenty six were present at the annual banquet of all ordained elders and deacons of Redeemer's Evangelical and Reformed church on Wednesday evening in the social hall of the church. The banquet was opened with the group singing the doxology and the devotions were led by the pastor, the Rev. Frank E. Reynolds. Exerpts from the minutes of consistory meetings from the years 1915 to 1921 were read by men present who served on the consistory at that time. They were Dr. Howard A. Stonesifer, George M. Conover, Charles L. Riffle and Herbert C. Bankert. The Rev. Milton K. Whitener was pastor of the church during these years. Revised editions of the New Testament were presented to George M. Conover and Dr. Howard A. Stonesifer, the oldest ordained consistorymen of the church. A revised edition of the New Testament was also presented to Theron W. Spangler, who has served as treasurer of the church for the past eight years. Booklets, "So You Are A Consistoryman" were presented to Evan M. Appler, Melvin A. Miller, Clarence R. Reck and William W. Thomas, who are the newly elected members of the consistory. The program closed with the group repeating the Lord's Prayer. The turkey banquet was served by the members of the Hustler's Sunday school class.

Think what it would mean if the leaders of all nations would choose the Bible to guide their decisions and their actions! Think what it would mean to have all people take the Scriptures into their homes and into their hearts!

For the Bible contains the guidance, the criticism, the comfort which enables us to grow continually in knowledge and richness of life. Through its teachings a country may become a great nation, leading the world to peace and freedom. To an individual the Bible can bring happiness on earth and the promise of a wonderful hereafter.

The only cure for the ignorance, superstition and prejudice of the world is the Holy Bible. In its pages we learn of the fatherhood of God, the brotherhood of man, the worth, dignity and personal responsibility to God of every individual—the pattern for daily living.

The Bible, if all nations would follow its precepts and its light, could help us preserve our civilization from dangers within and without. The Bible is the voice of a loving Father showing us the paths of righteousness. and peace. Let us open our Bibles and find God!

THE CHURCH FOR ALL . . ALL FOR THE CHURCH The Church is the greatest factor on earth for

the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

It promised to be a long, hard campaign. Jesus knew that it would not be won nor completed during his human life. So He began to enlist men to assist Him. He went down to the Sea of Galilee and there found men with the qualifications required. They were fishermen and therefore were industrious, patient (as fishermen must be), and of rugged, wholesome character. "Come ye after me, and I will make you fishers of men." They immediately left their nets, went with Jesus and became builders in His great new Kingdom, Peter, Andrew, James and John were the first to head Christ's call. The practical point of the lesson is this: that Jesus calls men today as eagerly as He did when He walked in Galilee. Are we ready to follow?

ABOUT THE

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor". . . winning fame for all 'round performance, all 'round the farm, all year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or discing. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most

Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask FARM EQUIPMENT for a demonstration.
